

The walk is marked by boards all the way round, so you should find it easy to find your way. The standard walk (1 - 8) is about 1 ¾ miles, or you could carry on and go all the way to 11 (2 ¾ miles) and back to Burwash Manor along the road. If that's still too short, you could add on one of the Countryside Restoration Trust walks (leaflets are available in the toilet block). Or if it's too long, stop at board 4 (½ mile) and walk back to Burwash Manor – just stroll alongside the pigs!

We also offer guided walks for schools and community groups – for more information visit www.burwashmanorfarm.com.

To learn more about the regular events held at Burwash Manor, including Open Farm Sunday and Apple Day, then join our mailing list at www.burwashmanor.com.

KEY TO WALKS
 ●●●● HALF A MILE
 ●●●● ONE & ¼ MILES
 ●●●● TWO & ¾ MILES

RULES OF THE WALK

Please keep dogs on a lead.
 Stay on the paths; if you wander off you might damage crops or conservation areas.
 Keep an eye on children – especially near the ponds.

REFRESHMENTS

You can visit the Barn Tea-Rooms at Burwash Manor for lunches or tea and cake. At The Larder, we aim to supply high quality produce straight from the farm (ours and other local ones). Our seasonal crops include Asparagus and Sweet corn; our grass reared traditional beef, lamb and pork is usually available. The Larder is driven by the principles of the 'Slow Food Movement', selling high value, artisan foodstuffs sourced locally. So, you can create a delicious picnic in the shop to enjoy on your walk.
